AI Search Visibility — Client Onboarding Guide

Your service is designed to help you understand and improve how your business is represented across AI-powered search experiences.

What we test

- Realistic customer questions
- Service + location searches
- Competitor comparisons
- Business descriptions
- Changes over time

Your visibility baseline

We look at where you appear, where competitors appear, how accurately you are described, potential gaps, and recommended next steps.

How the engagement works

1. Onboard → 2. Establish baseline → 3. Monitor → 4. Identify opportunities → 5. Optimize → 6. Report

Important

Petzold AI Agency does not promise guaranteed rankings, recommendations, leads, or placement in any AI platform. The work focuses on monitoring, testing, analysis, and recommendations.
